# The Tropical Agriculturist.

## The Agricultural Journal of Ceylon.

*Founded 1881*

**Published by**
**The Department of Agriculture,**
**Peradeniya.**

*Vol. LXXVI*

Containing Numbers 1 to 6,
January to June, 1931.

PRINTERS:—CAVE COLOMBO.

IMP. INST. ENT.

## Volume LXXVI, January-June, 1931

| Number | Month | Pages |
|---|---|---|
| 1 | January | 1- 64 |
| 2 | February | 65-132 |
| 3 | March | 133-196 |
| 4 | April | 197-260 |
| 5 | May | 261-326 |
| 6 | June | 327-392 |

Page

**A.**

Agriculture, Systems of Agriculture and the Position of Tropical - 288
Alternative Green Manure Plants - 135
Analyses of Leguminous Green Manures, Further - 334
*An Economic View of Rubber Planting* - 320
Animal Disease Return 63, 130, 194, 259, 325, 390
Ants, Water-and-oil treatment against soil-inhabiting Termites and - 236
Assam, Malaria Problem of - 303

**B.**

Beetle, Preconceived Notions and the Coconut - 197
Bengal, Cinchona Industry in - 137
Blanketing on the Plasticity of Crepe, Effect of - 274
Board of Agriculture, Minutes of Meeting of the - 115
Botanic Gardens, National - 284
British Guiana, Coconut Cultivation in - 171
Budding in the Field at Peradeniya - 4
Burning Qualities of Tobacco, Recent Experiments on the - 360

**C.**

Cacao, Manurial Experiments with - 263
Canker of Citrus, Spraying against - 337
Cause of Variability in the Plasticity of Plantation Rubber after Storage - 342
Ceylon, Mango in - 199
Ceylon, Preliminary Report on the trade in and cultivation of Spice Crops in - 212
Ceylon's Spice Trade - 65
Chemical Notes (10) - 334
Chemical Research on Paddy Soils in the Madras Presidency, Story of two decades of - 227
Cinchona Industry in Bengal - 137
Citrus, Spraying against Canker of - 337
Clones, Identifying Hevea - 358

Page

**C.**—*Contd.*

Clove Industry in Zanzibar - 364
Coconut Beetle, Preconceived Notions and the - 197
Coconut Cultivation in British Guiana - 171
Coconut Research Scheme (Ceylon), Minutes of Meeting of the Board of Management of the - 52
Coconut Statistics of Malaya for 1924 and 1930 - 242
Coffee Cultivation in Java - 238
Coffee Cultivation, Some Factors in - 299
Commission on Paddy Cultivation, Minutes of Meeting of the - 252
Committee on Soil Erosion, Report of the - 261
Comparison of Methods of Preparing Plantation Rubber in Ceylon, Malaya, and Java - 18
Copra, Factors of Quality in - 292
Crepe, Effect of Blanketing on the Plasticity of - 274
Cultivation of Spice Crops in Ceylon, Preliminary Report on the trade in and - 212
Curing of Tobacco, Flue - 100
*Cyprepedium insigne* Wall. (Lady's slipper orchid or shoe of Venus) - 3

**D.**

Data on the Latex Tube Bore in Rubber, New - 276
Departmental Notes 54, 126, 255, 382
Diameter of the Latex Tubes and the Rubber Production of *Hevea brasiliensis*, Investigation into the relation between the - 146
Disease Return, Animal 63, 130, 194, 259, 325, 390
Diseases of Rubber in Ceylon in 1930 - 270
Draft Minutes of Meeting of the Board of Management of the Rubber Research Scheme (Ceylon) - 188

# INDEX.—*Contd.*

Page

**E.**

Editorial 1, 65, 133, 197, 261, 327
Effect of Blanketing on the Plasticity of Crepe - 274
Effect of Interval between the Morning and Evening Milking on the Quantity and Quality of Milk - 180
Effect of Maturation on the Plasticity of Smoked Sheet - 345
Empire Insects, Home for - 113
Empire Spices - 232
Estate Products Committee of the Board of Agriculture, Minutes of Meeting of the - 244
Experiment, Irrigation Pot - 329
Experiment Station Peradeniya, Progress Report of the 54, 126, 255, 380
Experiments on the Burning Qualities of Tobacco, Recent - 360
Experiments with Cacao, Manurial - 263
Extraordinary General Meeting of the Rubber Research Scheme (Ceylon) - 378

**F.**

Factors in Coffee Cultivation, Some - 299
Factors of Quality in Copra - 292
Feedstuff, Rubber Seed-cake as a - 170
Fertilisers, Home mixing of - 108
Flue-curing of Tobacco - 100
Food Products Committee of the Board of Agriculture, Minutes of Meeting of the - 308
Food Supply, Nitrogen Industry and Our - 35
Foreign Trade of the United States of America in Tea in 1930 - 240
Fruit Growing, Rootstock Influence in - 223
Fruit Industry for the Gold Coast 1, 27
Further Analyses of Leguminous Green Manures - 334

**G.**

Gardens, National Botanic - 284
General Meeting of the Rubber Research Scheme (Ceylon), Extraordinary - 378
Gold Coast, Fruit Industry for the 1, 27
Gonakele Estate, Report on Sulphur Dusting Experiments at - 13
Green Manure Plants, Alternative - 135
Green Manures, Further Analyses of Leguminous - 334

**H.**

*Hevea brasiliensis*, Investigation into the relation between the Diameter of Latex Tubes and the Rubber Production of - 146
Hevea Clones, Identifying - 358
Hevea, Manurial Experiments on 42, 94
Home for Empire Insects - 113
Home Mixing of Fertilisers - 108

Page

**I.**

Identifying Hevea Clones - 358
Industry for the Gold Coast, Fruit 1, 27
Insects, Home for Empire - 113
Interesting Rubber Figures - 187
Investigation into the Relation between the Diameter of the Latex Tubes and the Rubber Production of *Hevea brasiliensis* - 146
Irrigation Pot Experiment - 329
Italy, Rice Cultivation in - 218

**J.**

Java, Coffee Cultivation in - 238

**L.**

*Labour Problems of Ceylon* - 324
Lady's Slipper Orchid or Shoe of Venus (*Cyprepedium insigne* Wall) - 3
Latex Tube Bore in Rubber, New Data on the - 276
Latex Tube Bore Theory - 215
Latex Tubes and the Rubber Production of *Hevea brasiliensis*, Investigation into the Relation between the Diameter of - 146
Leguminous Green Manures, Further Analyses of - 334

**M.**

Madras Presidency, Story of two decades of Chemical Research on Paddy Soils in the - 227
Maha Paddy, Note on the Effect of Sowing date on the age of - 332
Malaria Problem of Assam - 303
Malaya for 1924 and 1930, Coconut Statistics of - 242
Mango in Ceylon - 199
Manure Plants, Alternative Green - 135
Manures, Further Analyses of Leguminous Green - 334
Manurial Experiments on Hevea 42, 94
Manurial Experiments with Cacao - 263
Manurial Experiments with Rice —Part III - 70
Manuring under Slump Conditions, Tea - 340
Maturation on the Plasticity of Smoked Sheet, Effect of - 345
Meeting of the Board of Agriculture, Minutes of - 115
Meeting of the Board of Management of the Coconut Research Scheme (Ceylon), Minutes of - 52
Meeting of the Board of Management of the Rubber Research Scheme (Ceylon), Minutes of 188, 373
Meeting of the Board of the Tea Research Institute of Ceylon, Minutes of 120, 250, 380
Meeting of the Commission on Paddy Cultivation, Minutes of - 252
Meeting of the Estate Products Committee of the Board of Agriculture, Minutes of - 244

# INDEX.—*Contd.*

Page

**M.—*Contd.***

Meeting of the Food Products Committee of the Board of Agriculture, Minutes of - 308
Meeting of the Rubber Research Scheme (Ceylon), Extraordinary General - 378
Meteorological Report 64, 131, 195, 260, 326, 391
Methods of Preparing Plantation Rubber in Ceylon, Malaya and Java, Comparison of - 18
Milk, Effect of Interval between the Morning and Evening Milking on the Quality and Quantity of - 180
Milking on the Quality and Quantity of Milk, Effect of Interval between Morning and Evening - 180
Minutes of Meeting of the Board of Agriculture - 115
Minutes of Meeting of the Board of Management of the Coconut Research Scheme (Ceylon) - 52
Minutes of Meeting of the Board of the Tea Research Institute of Ceylon 120, 250
Minutes of Meeting of the Board of Management of the Rubber Research Scheme (Ceylon) 188, 373
Minutes of Meeting of the Commission on Paddy Cultivation - 252
Minutes of Meeting of the Estate Products Committee of the Board of Agriculture - 244
Minutes of Meeting of the Food Products Committee of the Board of Agriculture - 308
Mound-building Termites, Note on the Destruction of the Nests of - 67

**N.**

National Botanic Gardens - 284
New Data on the Latex Tube Bore in Rubber - 276
Nitrogen Industry and our Food Supply - 35
Note on the Destruction of the Nests of Mound-building Termites - 67
Note on the Effect of Sowing date on the Age of Maha Paddy - 332
Notes (10), Chemical - 334
Notes, Departmental 54, 126, 255
Notes of Interest - 186
Notes (IV), Paddy - 329
Notions and the Coconut Beetle, Preconceived - 197

**O.**

Oil, Production of Whale - 106
Oil Treatment against Soil-inhabiting Termites and Ants, Water and - 236
Orchid (*Stanhopea ecornuta* Lem.) - 269
Orchid or Shoe of Venus, Lady's Slipper (*Cyprepedium insigne* Wall) - 3

Page

**P.**

Paddies, Viability of long-aged - 329
Paddy Commission and the Price of Rice - 327
Paddy Cultivation, Minutes of Meeting of the Commission on - 252
Paddy Soils in the Madras Presidency, Story of two decades of Chemical Research on - 227
Paddy Notes (IV) - 329
Peradeniya, Progress Report of the Experiment Station 54, 126, 255, 380
Plantation Rubber after Storage, Cause of Variability in the Plasticity of - 342
Plantation Rubber in Ceylon, Malaya and Java, Comparison of Methods of Preparing - 18
Plants, Alternative Green Manure - 135
Plasticity of Crepe, Effect of Blanketing on the - 274
Plasticity of Plantation Rubber after Storage, Cause of Variability in the - 342
Plasticity of Smoked Sheet, Effect of Maturation on the - 345
Position of Tropical Agriculture, Systems of Agriculture and the - 288
Pot Experiment, Irrigation - 329
Preconceived Notions and the Coconut Beetle - 197
Preliminary Report on the Trade and Cultivation of Spice Crops in Ceylon - 212
Price of Rice, Paddy Commission and the - 327
Production of Whale Oil - 106
Progress Report of the Experiment Station, Peradeniya 54, 126, 255, 380

**Q.**

Quality in Copra, Factors of - 292
Quinine - 133

**R.**

Recent Experiments on the Burning Qualities of Tobacco - 360
Relation between the Diameter of the Latex Tubes and the Rubber Production of *Hevea brasiliensis*, Investigation into the - 146
Report in connection with Visit to the East (Comparison of Methods of Preparing Plantation Rubber in Ceylon, Malaya and Java) - 18
Report, Meteorological 64, 131, 195, 260, 326, 391
Report of the Committee on Soil Erosion - 261
Report on Sulphur Dusting Experiments on Gonakele Estate - 13
Report on the Trade in and Cultivation of Spice Crops in Ceylon, Preliminary - 212
Research Work on Rubber Cultivation in 1929 - 84

# INDEX.—*Contd.*
